Paving Project Continues on US Highway 95

San Bernardino - The California Department of Transportation (Caltrans) will continue an asphalt-paving project that began June 13 along an eight-mile segment of US95. The work begins six miles north of Goff's Road and continues to the Nevada State line. Hours are Monday through Thursday from 7 a.m. to 6 p.m. The project should be completed by mid August.

Repairs are being made to one and a half mile segments at a time reducing the highway to a single lane. Flaggers are conducting one way traffic control. Expect minimal delays.

Advisory signs are posted at the project limits. Motorists are advised to plan ahead and allow extra time if traveling during the work hours. Your patience is always appreciated and remember to - ***SLOW FOR THE CONE ZONE.***
